

We Need You

Dear Weld County Residents,

We know government doesn't work well without your involvement; that's why we invite you to participate in your local government by joining one of our County Boards or Commissions.

County Boards and Commissions allow Weld County residents to apply their knowledge and expertise toward making Weld County a great place to be.

Those serving on a board or commission provide their input and decisions to County Commissioners and other leaders in county government regarding a number of items. Residents may apply to serve on any of the 21 boards and commissions.

Some boards or commissions require background knowledge, experience in a certain field, or residency requirements.

Those interested in applying, may contact Jenny Fuller at the Office of the Board at jfuller@weldgov.com.

Again, thank you for your help and participation in making Weld County a wonderful place.

Sincerely,

The Weld County Board of Commissioners

"There is incredible value in being of service to others."
