The Weld County Commissioners are seeking Weld County residents interested in volunteering to serve on the North Colorado Medical Center Board of Trustees, Fair Board, and Board of Public Health.

The North Colorado Medical Center (NCMC) Trustees administer the lease of the hospital to NCMC, Inc. They serve as a liaison between NCMC, Inc. and the county commissioners, and they identify community needs concerning hospital services. The board meets the last Monday of each month at noon, and the time commitment is two hours monthly.

The Fair Board conducts the Weld County Fair. The fair is an annual event held for the educational benefit of 4-H, Boy Scouts and Girl Scouts, and FFA, and to showcase the Weld County community. The board meets at 7:00 p.m. on the first Monday of each month. Extensive involvement during the fair is expected, and the monthly time commitment is four hours. Applications specific to this board are available at www.weldcountyfair.com.

The Board of Public Health approves bio-solid and individual sewage disposal system applications and holds hearings related to applications. There are two openings. Applicants may live anywhere in Weld County for an at-large position. Applicants for the other position must live in School District RE-6 (east of 14th Avenue in Evans or Greeley) or in School District RE-7 (Kersey/Gill/Barnesville area). Meetings are held the fourth Tuesday of each month at 9:00 a.m. The time commitment is three hours monthly.

Applications are available at www.co.weld.co.us and will be accepted through May 25. For further information, please contact Jenny VanEgdom at 970-336-7204 or jvanegdom@co.weld.co.us.
