COMMISSONER CONWAY TO GUEST SPEAK AT COLORADO FINANCIAL MANAGEMENT EVENT THIS MONTH

WELD COUNTY, CO – Weld Commissioner Sean Conway will be the guest speaker at the Colorado Financial Management, Inc., (CFM) annual client appreciation event on September 24th.

CFM Founder-Shareholder Gary Premer asked Conway to speak about transportation challenges in northern Colorado.

"I'm honored to present to this group," said Conway. "I'm happy to discuss the challenges facing northern Colorado's infrastructure. Many of our communities have seen amazing population growth over the last decade, and that trend isn't slowing down. We need to address ways to improve mobility of all those people traveling throughout our region."

Conway, along with Weld Commissioner Barbara Kirkmeyer, has been active in the North I-25 Coalition which is comprised of municipalities along the corridor looking for ways to bring improvements to the aging road.

The CFM event is limited to current CFM clients; to learn more about CFM go to <http://colofin.com/>
