Re: Board Appointments

### WELD COUNTY COMMISSIONERS APPOINT THREE TO LOCAL BOARDS

WELD COUNTY, CO – The Weld County Commissioners appointed three residents to advisory boards on Monday during the regular board meeting. Linda Kautz and Joyce Smock were appointed to the Board of Public Health, and William Hertneky to the Board of Retirement.

“We are very grateful to these individuals for volunteering their time and service to the Board of Public Health and Board of Retirement,” said Commissioner Chairman Douglas Rademacher. “Local government does not succeed without input and involvement from residents.”

The Board of Public Health approves bio-solid and individual sewage disposal system applications and holds hearings related to applications. The time commitment is three hours monthly. The Board of Retirement oversees the Weld County retirement plan and funds.

Applications are still available for the Board of Public Health on the Boards and Commissions tab within the Commissioner's section at [www.weldgov.com](http://www.weldgov.com), through email, or may be picked up at 1150 O Street, Greeley.
