WELD COUNTY COMMISSIONERS RECOGNIZE EATON MAYOR SCOTT MOSER

WELD COUNTY, CO – The Weld County Board of Commissioners recognized Eaton Mayor Scott Moser during their Board Meeting as well as during the Eaton Town Board Meeting on Thursday, March 17, for his dedication to Weld County and the residents of Eaton throughout his two terms as mayor.

Weld County Commissioners present Mayor Moser with a recognition certificate during the Eaton Town Board Meeting on Thursday, March 17.

“Mayor Moser has been a valued contributor to Weld County,” said Commissioner Chair Mike Freeman. “His interest and participation exemplify what local public service is about.”

Mayor Moser was instrumental in assisting with the establishment of the Highway 85 Coalition and has continued to champion transportation projects throughout northern Colorado especially through his work with the North Front Range Metropolitan Planning Organization (NRF MPO). Also, during the 2013 flood, Mayor Moser traveled to Milliken to assist staff with answering phone calls and giving them a much-needed break. “It really meant a lot to us that he would drive down all the way from Eaton to help us out,” said Commissioner Julie Cozad who served as Mayor Pro-Tem of Milliken during the flood.

“Scott has always embraced the Team Weld attitude,” said Commissioner Barbara Kirkmeyer. “He not only cares about Eaton but also the greater good of Weld County. The Board has enjoyed working with him.”

Mayor Moser was first elected in 2008 then reelected in 2012 to a four-year term ending in April 2016.
