Citizens can soon renew license plates at 18 kiosks in 12 Colorado counties *Self-service technology expanded on Feb. 26 to allow cross-county transactions*

Greeley, CO – Renewing your license plates in Colorado is about to get a lot easier. Beginning March 5, citizens in 12 Colorado counties will have the option to renew their vehicle registration at any of 18 self-service kiosks located in any of those participating counties.

“Weld County is proud to partner with 11 other counties to accept cross-county transactions on our *Colorado MVExpress* kiosks,” said Clerk and Recorder Carly Koppes. “This will be an incredible convenience for our citizens. If you live in one county, but work, shop, go on vacation, or attend college in another participating county, you can use any kiosk along the way to renew your license plate. You’ll walk away with your tabs in minutes.”

The kiosks are available only to residents of Arapahoe, Adams, Boulder, Broomfield, Douglas, El Paso, Fremont, Jefferson, La Plata, Larimer, Mesa and Weld counties. However, more counties may authorize kiosk transactions for residents later this year.

The kiosks are blue and yellow machines that look similar to an ATM. To use one, simply type your license plate number on the touch screen, or scan the barcode on your renewal postcard; then pay taxes and fees by check, credit or debit card. The kiosk will instantly print your receipt, vehicle registration and license plate tabs. Arapahoe County customers will pay a \$3 convenience fee for every vehicle renewed at a kiosk, which directly pays for the technology. There is no budget impact or cost to other taxpayers for this convenience.

If your vehicle requires an [emissions test](#), you should complete it at least two business days before using a kiosk. If you have recently changed or updated your auto insurance, please wait 2-4 business days before using a kiosk to renew. If your grace period for your renewal has ended, you will not be able to renew at a machine and must appear in person at your county motor vehicle office.
