

Weld County Fire District Administration Telephone Numbers

Some local fire districts in Weld County require a separate permit to be issued for open burning in the districts. This is in addition to the one issued by the Weld County Department of Public Health and Environment. Call your local fire district office to determine local fire code requirements. See below for list of numbers.

CALL 911 FOR FIRE EMERGENCIES

If you cannot contact your fire authority to notify them of a burn, please call Weld County Dispatch, who will pass the notification on to the appropriate fire district: 970-350-9600
