

Weld STAR

Sanitation Training Assistance for Restaurateurs

Weld County Health Department offers the Weld STAR food safety training course as part of its commitment to maintain a clean, healthy, contaminate-free dining experience.

The Weld STAR class covers:

- the prevention and elimination of food-borne illness
- potentially hazardous food identification
- good personal hygiene
- sanitation techniques
- proper cooking temperatures
- proper temperature control
- food from an unsafe source
- rodent and pest control

Who should attend?

- ✓ Retail Food Service Employees
- ✓ Child Care Providers
- ✓ School Cafeteria Staff
- ✓ Anyone serving food to the public
