## County Health Department Offers Free Health Screening

**Weld County** – The Weld County Department of Public Health and Environment is offering a FREE health screening on Thursday, April 12th from 9:00am until noon. This screening is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease. This screening is intended for adults with limited access to preventive health care. Men and women are encouraged to participate and Spanish translation will be available.

This health screening is located at the Riverside Library and Cultural Center, 3700 Golden St. in Evans. The screening includes: Blood Pressure, BMI, Cholesterol, Triglycerides, and Blood Sugar. No appointments are necessary and participants are encouraged to fast for 8 hours- which means no food or drinks, water is okay. For more information, please call 970-400-2325 or visit [www.weldhealth.org](http://www.weldhealth.org).
