ADDENDUM NUMBER ONE

REQUEST FOR PROPOSALS DOCUMENT POSTED ON 2/27/19

In Section I (Purpose) the third sentence of the first paragraph shall be revised to read as follows:
As part of the proposal, please include a cost/fee estimate for these proposed services; the design portion of the services shall include a line item in the amount of $10,000.00 labeled as “force account – other professional services”, and the construction portion of the services shall include a line item in the amount of $20,000.00 labeled as “force account – minor contract revisions”.

In Section III (Scope of Services) the third sentence of the first paragraph shall be revised to read as follows: The dewatering system shall be capable of lowering the ground water table in the concrete box culvert construction zone to at least four feet below the lowest excavation planned excavation elevation, which corresponds to an elevation of 4856 on the design plans.

The following additional informational documents have been posted today along with the original proposal documents:

- Construction Plans for the WCR13/34 Intersection Project.
- Environmental document from Tiglas Ecological Services.
- Soils Report associated with WCR13 from WCR 34 to 38 pavement design.
- Mandatory Pre-Proposal Meeting attendance sheet.
- Mandatory Pre-Proposal Meeting agenda.
