**Building information for the Crime Lab:**

1. The current cleaner is doing an excellent job, and she spends 2.5 hours each visit of three days per week – Monday, Wednesday and Friday.

2. All 8,000 square feet of carpeted area is serviced all three days. The main carpeted area is open with cubicles.

3. There are two women’s restrooms, two men’s restrooms, a women’s and men’s showers, two conference rooms and one break room that are serviced and disinfected three times per week – all hard surface floors.

4. All areas that are marked as 1X per week or 2X per week are hard surface floors.

5. They request that your cleaner be at the building before noon so that staff can supervise the secured areas. There is some flexibility there, but this building must be cleaned during business hours.

6. A diagram is attached.
