Below are the answers to the second set of questions that occurred for the Bid B1900067 - CARPET CLEANING - NORTH BUSINESS PARK:

1. Who is the manufacturer for the carpets in the North Business Park Buildings?
   ANSWER: It varies by location. However, Collins and Aikman are the primary.

2. Can you supply a copy of the blue prints for each of the North Buildings?
   ANSWER: No. The mandatory pre-bid provided opportunity to view and measure locations.

3. Will the contractor selected for cleaning these carpets be allowed to use a truck mount if they can demonstrate that they can secure the buildings while cleaning with hoses protruding from the building to the truck van?
   ANSWER: No.

4. Does the current contract amount in question No. 1 of the first set of questions reflect the 4600 sq. ft. recently added?
   ANSWER: No.

5. There are individual secured offices in some of the buildings that require the custodial supervisor to unlock, be present for and observe the entire service, and then lock down after completion of service. Is there a count of secured offices that require such attention?
   ANSWER: No. The number of offices remaining secure varies day-to-day

6. Due to the added time involved in this effort, will a change order be considered if more secured offices are added during the term of the contract?
   ANSWER: No. The added effort is on the County for ensuring presence of staff to escort contractor. If an escort cannot be provided, then that office will be omitted without requiring the contractor to make a second trip.

7. Does the current contract amount in question No.1 reflect the new protocol of cleaning individual secured offices?
   ANSWER: No.

8. The cleaning of walk-off mats are included in this contract on and off the carpeted areas. Will the walk-off mats that are on the carpeted surfaces need to be rolled up after cleaning, and the carpet underneath be cleaned as well, or will they be cleaned in place and left in position?
   ANSWER: The walk-off mats that are on top of carpet will need to be cleaned and then rolled up, and the carpet underneath will need to be cleaned as well. After the carpet dries, a County employee will reinstall the walk-off mat.

9. Will CBI background check and E-Verify files on each employee be submitted to Weld county before allowing access to buildings?
   ANSWER: Yes. A copy of a background check must be submitted to the Weld County Custodian Supervisor on each employee prior to the employee entering the buildings. The background source will be up to the contractor’s discretion, although the County reserves the right to reject the source of the background check for any reason.
10. Are any other factors besides price considered for award of contract?

   ANSWER: Price is the primary consideration. The selected contractor will need to establish they are qualified to perform the job through submitting a list of references as to their ability to meet the conditions of the bid. The proposed equipment and system for cleaning carpets will be evaluated to ensure they meet the minimum requirements listed in the bid.
