MEMORANDUM
TO: Board of Commissioners       DATE: December 11, 2018
FROM: Jay McDonald, Director of Public Works
SUBJECT: Carbide Cutting Bits (Picks) Bid #B1800160

The Public Works Department recommends awarding the bid to 4 Rivers Equipment, the lowest bidder that meets specs and requirements, for 12,000 Carbide Cutting Bits. The bid from Wear Parts and Equipment did not meet all specs and requirements for delivery.

The cost for Bit #1 - 10,000 carbide bits is $6.76 each for a total of $67,600.00

The cost for Bit #2 – 2,000 carbide bits is $5.68 each for a total of $11,360.00

These bits are wear parts and are used in the road reclaimers and on the stinger blades in maintaining the chemical roads.

If you have any questions, please call me at extension 3761.
