

G290: BASIC PUBLIC INFORMATION OFFICER

Course Description:

This 2-day classroom course is an updated, shortened and revised version of the previous G290 course. This course was designed with an emphasis on skills development, and addressed the impact of technology on emergency public information. This course offers options that allow the States to tailor instructional methodology to meet their needs while consistently meeting the course learning objectives.

Target Audience:

Emergency Responders/Receivers, Law Enforcement, Public information/Media Specialist, Emergency Management, Public Safety Communications

Register:

Registration will be through COTrain.org Course ID# 1024974.
For help with COTrain, contact cdps_dhsem_training@state.co.us.
